Project 101074426 – LIFE21-CCA-CZ-LIFE Adapt Brdy
Climate Change Adaptation of Forests in the Brdy Highland

INVITATION

to the

LIFE PROJECT UPSCALING WORKSHOP

Dear LIFE Beneficiaries,

We are pleased to invite you to the first of a series of **LIFE Project Upscaling Workshops** within the LIFE Adapt Brdy project, which aims to improve the adaptation of forest ecosystems to climate change. The workshop, which is mainly aimed at sharing experiences with other LIFE projects, will take place on:

April 23−25, 2025, Czech Republic

Venue:

Nature House of Brdy, **Brdy Protected Landscape Area** Strašice 700 338 45 Strašice

GPS: 49.7048200N, 13.7904647E

Please confirm your participation by completing the registration form by February 17, 2025.

For any questions, feel free to contact us at brinkeova@fld.czu.cz.

We look forward to your participation and to engaging discussions on measures and the future of forest ecosystems.

Wishing you a pleasant day,

on behalf of the LIFE Adapt Brdy project team Hana Brinkeová, PR project manager

Field session:

14:50	Departure to the field (transport provided by the organizer's vehic	
14:50 - 17:00	Practical demonstrations in the field:	

Demonstration area: Showcasing forest stand regeneration methods, including methodology for establishing boundary and maintenance corridors, target diameter at breast height management, and harvesting interventions focusing on stability, structural support, and diverse species composition. Transition to selection-based forest management practices.

Revitalized spring area: Demonstration of individual measures such as shallowing, massive check dams, meandering, restoration of original channels and small tributaries.

Long-term monitoring examples: hydrological, botanical, and initial geological studies.

18:30 Social evening (Tři Trubky Hunting Lodge)

Friday, April 25, 2025

8:00 – 8:50 Breakfast for accommodated participants

Joint program for interested participants

9:00 Departure to Padrt' Ponds 9:00 – 12:00 Field excursion to Padrt' Ponds,

miniworkshop for interested participants on Modern forestry monitoring technologies

12:00 End of the event

LOGISTICAL INFORMATION

The workshop is **free of registration fee**. Refreshments will be provided during the actual event. Participants are responsible for their own travel and accommodation.

TRAVEL

Each delegation/participant is responsible for organizing their own travel to and from the workshop venue in Czech Republic. In case you arrive in the Czech Republic by plane and need a transfer from the airport to the workshop venue, please fill in the registration form.

ACCOMODATION

For participants wishing to stay overnight during the workshop, we recommend the **Tři Trubky Guesthouse and Hunting Lodge**, located in the iconic hunting lodge complex in Brdy. The guesthouse offers a cozy, newly renovated setting with a total capacity of 12 beds across 5 rooms. Its location provides easy access to hiking and cycling routes, including the scenic Padrt'ské Ponds and unique biotopes of the Brdy Protected Landscape Area.
