Project 101074426 - LIFE21-CCA-CZ-LIFE Adapt Brdy Climate Change Adaptation of Forests in the Brdy Highland

INVITATION

to the

STAKEHOLDER INFORMATION **DISSEMINATION WORKSHOP**

Dear Sir/Madam,

We are pleased to invite you to the first of a series of Stakeholder Information Dissemination Workshops within the LIFE Adapt Brdy project, which aims to improve the adaptation of forest ecosystems to climate change. The workshop, which is mainly aimed at sharing experiences among all its participants, will take place on:

April 23-25, 2025, Czech Republic Ĭ

Venue:

Nature House of Brdy, Brdy Protected Landscape Area Strašice 700 338 45 Strašice

GPS: 49.7048200N, 13.7904647E

Please confirm your participation by completing the registration form by February 20, 2025. For any questions, feel free to contact us at Marketa. Machova@vls.cz.

We look forward to your participation and to engaging discussions on measures and the future of forest ecosystems.

Wishing you a pleasant day,

on behalf of the LIFE Adapt Brdy project team Markéta Máchová, project coordinator

adaptbrdy.czu.cz
